Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Suburban Homes for City Business Men: A Description of the Country Adjacent to the Eastern Division and Branches of the Erie Railway and Northern Railroad of New Jersey, Together With a Statement of the Inducements Offered for Purchase of a Suburban Residence in the Rich Valleys of the Hacken The past year has witnessed no diminution, but, on the contrary, a steady and continued increase both in the popular demand for information as to the value of property, and the cost of a Suburban Home on the line of the Erie Railway, and in the number of those who have actually availed themselves of the advantages herein treated of. We call attention, and with some pardonable satisfaction, to the growth and prosperity which the annual issue of this little work has, in conjunction with the enterprise of property-owners, helped to achieve along the line, and it is in a desire to promote a continuance of these mutual interests, that a revised edition is this year given to the public, containing many substantial facts and figures, which the careful and judicious reader will not fail to find, and when found, make a note of. Those desiring copies can obtain them, free of charge, at the office of the General Passenger Agent of the Erie Railway Company, or at either of the Company's principal ticket offices in New York City.
