## PEDRO AND THE BIRTH OF AIR UNLIMITED

Xlibris. Paperback. Book Condition: New. Paperback. 102 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Alaska Taylor is a warm, compassionate lady of faith with above-average intelligence. She believes in things beyond human understanding and she believes that animals can reason, think and communicate. Alaska believes that even if animals can't speak to humans, they can speak to each other and they have the same feelings that people experience. She's about to find out she's right. She's about to be introduced to someone who will show her things that nobody else knows. That someone comes in the form of Pedro, a parrot she inherits. Pedro makes her aware that animals are living a completely different life than humans can see. Is Pedro unique? Pedro also helps Alaska to see that transporting animals from the zoo where she works to other facilities is hard on the animals and frightens them. The animals dread having to be relocated to a new home or for medical care that must be provided elsewhere. With this new knowledge, Alaska helps form the service Air Unlimited in order to facilitate safer, faster transportation exclusively for animals. She also endeavors to protect the animals from an evil at the zoo that threatens their lives. It's a difficult task and Alaska is unable to let anybody know how she gets her information, but Alaska knows that Pedro...
