Loose Id, LLC. Paperback. Book Condition: New. Paperback. 274 pages. Dimensions: 8.4in. x 5.5in. x 0.9in. From the deep swamps of the Everglades to the glittering night clubs of South Beach, Miami-Dade police detective Scott Chandler is hot on the trail of the drug running cartel that killed some good officers in a firefight and left him with a steel rod in his leg. The last thing he expected to find was love in the form of a seemingly innocent wilderness guide--a guide who inexplicably knows more than he should. Noah Taylor lives for the wild backwoods, spending days camping alone and only returning to town on the weekends to lead kayak tours through the dark waterways of the Everglades. But when he finds the remains of a ritually sacrificed body hanging from the twisted limbs of a mangrove tree, his life's going to change in ways he can't possibly predict--or can he? Now Scott must untangle a web of deceit while struggling with his passion for Noah. Because loving him is easy. But trusting him could be deadly. Publishers Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: male-male sexual practices.
