### ***Reviews***

*It is simple in read easier to understand. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is just following i finished reading through this publication where basically transformed me, alter the way i really believe.*  
*(Ms. Christy Ondricka DDS)*

## HOW THE MIND WORKS

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 160 x 135 mm. Language: English . Brand New. In this delightful, acclaimed bestseller, one of the world's leading cognitive scientists tackles the workings of the human mind. What makes us rational and why are we so often irrational? How do we see in three dimensions? What makes us happy, afraid, angry, disgusted, or sexually aroused? Why do we fall in love? And how do we grapple with the imponderables of morality, religion, and consciousness? How the Mind Works synthesizes the most satisfying explanations of our mental life from cognitive science, evolutionary biology, and other fields to explain what the mind is, how it evolved, and how it allows us to see, think, feel, laugh, interact, enjoy the arts, and contemplate the mysteries of life. This new edition of Pinker's bold and buoyant classic is updated with a new foreword by the author. Undeniably brilliant. Newsday Big, brash, and a lot of fun. Time Hugely entertaining always sparkling and provoking. Wall Street Journal Witty popular science that you enjoy reading for the writing as well as for the science. New York Times Book Review.
