

How to be an Irresistible Woman

By E.E. Kelley

Write Now Publishing Company. Paperback. Book Condition: new. BRAND NEW, How to be an Irresistible Woman, E.E. Kelley, This book is for you if you are: not in a relationship, but desire to be in one; in a relationship, but will admit, if you're honest, that you have 'let yourself go' or allowed your relationship to fall too far down the list of your priorities; a man who feels you are not getting what you need/deserve in your relationship, and would like for the woman in your life to learn the Irresistible Principles; and, already irresistible and want to remain that way. The book consists of 41 chapters, each divided into three parts. The first part is my own commentary, my advice on what I feel a woman must do in order to become Irresistible. The second part is made up of real-life letters or emails from acquaintances of mine, who have written to me detailing how my advice has changed their lives. The third and final part of each chapter is where I provide statistical evidence to support my claims.
