Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a combination of an editorial written by myself for the literary magazine, JAW, co-produced by myself and a friend for 2 years, the beginning of a screenplay, some poetry, and several short stories. I started the book 9 years ago as the thesis for my undergraduate BA degree which I received from Goddard College, VT. Originally it also included a survey of one novelist, Elizabeth Berg, and three famous women poets, in order to place myself in the field of writing and compare/contrast the growth pattern my writing took through the years. I elected to take those out, to avoid any copyright issues, and prove this book is about a dream fulfillment and what I hope to be the beginning of my book publishing career. As a single Mom of three boys now for 8 years I have struggled to succeed and have grown in ways which I never thought possible. I finished my BA in English and Women s History, and moved on to pursue my MA in Teaching, which I graduated with on September 11th, 2007. Although, I appear to be poor, I am filled with riches --spiritual ones! I hope this book serves as an inspiration for all single Mom s--to never give up on your dreams, they are there, waiting for you to find them and if we are to keep hope alive for us and our children, we must not give up.
