America Star Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.On Christmas Eve 2005 a future maintenance manager for a supply warehouse receives a strange email. It comes from another time - two decades hence. He also finds there are people interested in and looking for him - looking him up. Doug Wells seems to know the path to take but others in this wild story aren't so sure, as they all try to figure things out having to do with the bizarre turns and twists this permeable preamble narrative takes. There are questions, some clearly answerable - others not so. A genius sent into the world every 101 years seems to be a given, as were the prophets of old with their wisdom - to some. A lot is grappled with herein and much will be learned from Others Mistakes.
