

Leadership Pour Le 21 Eme Siecle: Les Secrets Et Les 7 Cles de Paul Biya

By Francois De Paul Biya Mbassi

Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 175 x 130 mm. Language: English . Brand New Book ***** Print on Demand *****.Africa is predicted to be the next China in the coming decade, but how many know Cameroon is the miniature Africa ? It is a rich, big, beautiful, and peaceful land. So many challenges face each country of the continent in order to see the real change that Africans have been looking for in the past years for their development. The developed world and several leaders are actually determined to help poor countries. France, China, the United States, the World Bank, IMF, the European Union, Forbes Philanthropists, and others are working together to tackle important issues such as agriculture, roads, infrastructure, hospitals, medicine, water development, and eternal problem facing most countries there-security. French President Francois Hollande met with all African leaders on December 7, 2013, in Paris to resolve the issue. In any African country, people cannot have a better life they are expecting if peace is not given a chance. It is not a choice, but a must, and this is the concern of African leaders, religious leaders, organization, and people in general. Then will...
