The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

Sunflower Books. Paperback. Book Condition: new. BRAND NEW, Sardinia: Car Tours and Walks (5th Revised edition), Andreas Stieglitz, Sardinia, the second largest island in the Mediterranean, is a countryside lover's paradise. Touring Sardinia by car, you quickly leave all traces of tourism behind: the six car tours cover about 1600km (1000 miles). The tours are arranged in such a way that they can be combined, allowing you to tour round the whole island.----- As you tour, explore on foot: walking in Sardinia, crushing the fragrant Mediterranean macchia underfoot, will give you the real flavour of the island. Its scenic diversity ranges from rough and primeval landscapes to gentle golden sand dunes, from scorching rocky plateaux and windswept plains reminiscent of Africa to rolling hills with lush pastures and dense brushwood, from towering mountains cloaked in fine oak woods to a turquoise sea that touches the rocky coast. Colourful rock roses and an extravaganza of wild flowers flourish in spring.----- 6 car tours (with accompanying touring maps), 37 long and short walks (each with 1:50,000 topo map), 16 picnic suggestions. Plans of Cagliari and Sassari. Free online update service with specific route change information on the publisher's website, maintained daily.- ----- The 'Landscapes' series, with 50 destinations, has been dubbed 'the blue Bibles' by the Sunday Times and led to Sunflower coming third out of a field of 15 publishers in the 2014 Holiday Which? guidebook roundup.----- As with all Sunflower books, these are great walking books, and you can use the Sunflower website to check for any updates to the routes before you go on each trip. A great book and great after-sales service from the writers. We did some fantastic walks and you get so much good local information on the region too. Would recommend all Sunflower books. [We...
