## And There Was Light!: An Invitation to Believe God's Word Through the Earth Sciences

By Maureen O Kane

Createspace, United States, 2015. Paperback. Book Condition: New. Audrey Thomas (illustrator). 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The conflict between science and Scripture has often resulted in the misbelief they are fundamentally incompatible. Proponents of each side have, unfortunately, developed a closed mind and defiant attitude towards the other. But the natural and supernatural worlds actually do share common ground. People are drawn to them, find expression within each arena and often feel a connection to something larger than themselves. Just like two witnesses to the same event, each has a voice that deserves to be heard in order to get a more complete picture of the truth. In *And There Was Light!*, author Maureen O Kane encourages our intellectual curiosity to reach beyond the status quo through an in-depth study of several examples of earth sciences as presented in Scripture. From the sea, clouds, and wind to the sun, moon, and plants, this book proposes that modern science actually confirms divine inspiration. Whether you believe a day of creation is eons or hours; whether you see humans as the end result of random processes or a new beginning with a specific...
