

Five Moral Essays

Filesize: 1.43 MB

Reviews

This created publication is wonderful. This can be for those who statte that there had not been a worth looking at. Your lifestyle period will probably be transform when you comprehensive looking at this book.

(Chelsey Nicolas)

FIVE MORAL ESSAYS

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Five Moral Essays, Umberto Eco, Embracing the web of multi-culturalism that has become a fact of contemporary life from New York to New Delhi, Eco argues that we are more connected to people of other traditions and customs than ever before, making tolerance the ultimate value in today's world. What good, he asks in a talk delivered during the Gulf War, does war do in a world where the flow of goods, services, and information is unstoppable, and the enemy is always behind the lines? What makes news today, who decides how it will be presented and how does the way it is disseminated contribute to the widespread disillusionment with politics in general? In one of the most personal of the essays, Eco recalls experiencing liberation from fascism in Italy as a boy, and examines the various historical forms of fascism, always with an eye toward such ugly manifestations today. And finally, in an intensely personal open letter to an Italian Cardinal, Eco reflects on a question underlying all the reflections in the book - what does it mean to be moral or ethical when one doesn't believe in God? As thoughtful and subtle as they are pragmatic and relevant, these essays present one of the world's most important thinkers at the height of his critical powers.
