Melrose Books. Paperback. Book Condition: new. BRAND NEW, Froggerel Doggerel and Other Stories, Godfrey Ackers, Godfrey Ackers brings to life through four doggerel rhymes a selection of animals that will truly delight a much broader age range than was initially intended. The characteristics of each creature shines through and their interaction with each other will not only give the reader knowledge in word and verse, but will also be an enchanting read for both adult and child alike at home or in the schoolroom. Each story is cleverly inter-woven and could even remind us in some way of an Aesop fable. These verses will amuse and endear each of the animals to the reader. Follow their adventures and how they relate with each other in their own habitats as they converse and think out loud. Add to these stories the cleverly illustrated pages with two outline ones for colouring in and you have a book to be enjoyed for years to come. This book is easily one to be passed down in families or to new classes as they progress. As we start to read, it is not only an essential part of our education, but should become an increasing pleasure. These lovely doggerels combine both and are a joy - so are the characters they portray.
