Brilliance Corporation, United States, 2014. CD-Audio. Book Condition: New. abridged edition. 140 x 130 mm. Language: English . Brand New. Vegas Heat is the powerful story of the Thornton dynasty of Fanny's twin sons, Sage and Birch: alienated from each other, one is content in his conventional life while the other's search for happiness leads to tragedy and renewed hope. It is the story of Fanny's two daughters: Sunny, betrayed by her husband, fighting a battle no woman should ever have to face Billie, whose obsessive devotion to the Thorntons' children's clothing empire has kept her from finding love. It is also the story of Fanny's search for her own roots and her relationship with Marcus Reed, the wealthy but mysterious businessman who promises her a passion she has been denied for too long. A poignant and passionate tale of pride and ambition, heartbreak and betrayal, tragedy and triumph, Vegas Heat resonates with drama and emotion. It is the story of a family's struggle for success against all odds and their search for love and acceptance. It is Fern Michaels at the peak of her storytelling powers.
