Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Story telling has been a means since the beginning of time to relate the history, humor and happy times of life. It may contain a gory tale of battle, a glorious happening in one personal life, a grand sharing of the way it use to be, a goodnight story for restful sleep or maybe great events to be remembered as history unfolds in time from generation to generation. I have preached some of these "modern day parables" as sermons to my church congregations. Therefore, I pray that you will be blessed and benefited by each one shared in this first edition of "Once Upon a Time". I hope a thought will grab your attention for brief moments from time to time as you scan through this book and allow the stories to seal within you the spiritual point or...
