Reviews

It is just one of the most popular ebook. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

(Matteo Torp)

AWAY FROM YOU

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Away from You, Kay Langdale, The heartbreaking novel from the author of CHOOSE ME, about the sacrifices parents must make and the anguish that can befall them. When Monica is offered a three-month placement in LA, she knows that for the sake of her career she must accept it - even though it means leaving behind nine-year-old Ruby, toddler Luca and her husband Daniel. She hires Ursula as a housekeeper and nanny during her absence, although the older woman is oddly reluctant to agree to a childcare position. What is the dark secret in Ursula's past, which has left her so closed-off and reserved? Will her growing attachment to Ruby bring it to the surface? And will Monica regret leaving the children in her care?.
