Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

Insomniac Press. Paperback. Book Condition: new. BRAND NEW, Guilty, Sky Gilbert, Cassidy is dead and Jack is guilty, that's for sure. But of what, exactly, we're not certain. This is a first novel, but more importantly it is an outrageous, hilarious, tangentially revealed story of guilt, sex, fame, God, murder, danger, suspicion, love and hate. Jack and Cassidy had great sex. In fact, Cassidy may have been Jack's ideal sex partner, which is of great importance when your life revolves around sex. But then Cassidy would do things to drive Jack mad, which certainly could be a motive for murder. Also, Jack is a big man, which gives him the physical means to overpower Cassidy. And they were together on the night that Cassidy was killed, which provided the opportunity. Then there's the fact that Jack has dreamed of killing Cassidy and is not feeling too surprised or even too terrible about his death. But did he do it? The novel details Jack's extreme guilt, his encounters with the police, and his life leading up to the murder -- including his feelings about God, coffee bars, scat, sexually unspontaneous fags, therapists who go crazy, his mother, bears, gay hypocrites, the horror of cheap wine at a dinner party, and fancy fags who work in the arts, among other things.
