Amazon Publishing, United States, 2016. Paperback. Book Condition: New. Reprint. 208 x 137 mm. Language: English . Brand New Book. Mallory Dane has a great family (at least on the surface), is popular at school (as long as she doesn't make waves), and dates an amazing boyfriend, Todd (who happens to be completely made up). Boys and sex are something Mallory just can't deal with, so she created her "invisible guy" to avoid it all. But when Liam Crawford comes along a real guy, flesh and bones and strumming his guitar Mallory starts questioning her fictional relationship. Is she really willing to give up Todd for Liam? And can she make amends for the lies she's told even to her best friend, Tess? What if your biggest, most embarrassing secret was broadcast to the whole world? Letting go of her secret will be easier said than done, and Mallory will risk everything her family, Tess, cheerleading, her reputation, and most of all, her heart.
