Welfare to Work: State Programs Have Tested Some of the Proposed Reforms: Pemd-95-26

By -

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 42 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a congressional request, GAO reviewed the evaluations of numerous state welfare-to-work experiments completed since 1988, focusing on: (1) how these experiments resemble current welfare reforms; and (2) the approaches that have been effective in increasing employment and earnings or reducing benefits among welfare clients. GAO found that: (1) state welfare-to-work experiments and current federal welfare reform proposals both include work programs for welfare recipients, stricter requirements for participation in work programs and child support enforcement, and increasing work incentives; (2) states are testing proposals, such as limiting the length of time a family can receive benefits, but their evaluations are not yet complete; (3) some states have evaluated features of welfare-to-work programs, such as providing a broad mix of employment services, that go beyond some of the current proposals; (4) although the states experiences provide information regarding some current reform features, it is not possible to project the likely effects of the entire package of reform proposals; (5) the programs that consistently showed the best employment and welfare-related outcomes for participants combined many employment-related activities and support services with...
