

Tables for Qualitative Chemical Analysis: Arranged for the Use of Students (Classic Reprint)

By A Liversidge

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Tables for Qualitative Chemical Analysis: Arranged for the Use of Students It is, of course, not necessary for every student to work through the reactions for all the substances given in these tables; typical ones can be selected according to circumstances, e.g. the medical student need not necessarily work through the reactions of rare earths. Theory or Qualitative Analysis. - It is assumed that the student will be taught the principles of analysis and how to use these tables, and that he will not be left to struggle through them unaided; it is for this reason and because the book is intended for bench use that equations and the usual more or less lengthy explanations are omitted. The directions are made as brief as possible, for students when engaged in practical work have usually neither the time nor the inclination to wade through more or less lengthy descriptions of the methods of procedure. In this laboratory the principal explanations are given in the form of lectures and demonstrations of fifteen or twenty minutes before the...
