Let s talk of graves, of worms, and epitaphs is the motto of this Essay, and accordingly we accept the author s challenge and proceed to consider his suggestion that Shakespeare s grave should be opened and an examination made of any remains that may be discovered therein. In support of his proposals, Dr. Ingleby urges that three desirable results would be obtained: first, it would be ascertained whether the tomb has been already rifled; secondly, an examination of the remains might enable us to decide several points, such as the authenticity of the bust and the various portraits of Shakespeare, and, we may add, the uncertainty as to his lameness, while phrenological measurements of the skull might settle almost beyond dispute the possibility of Shakespeare s having been the author of Shakespeare s Plays; thirdly, the full satisfaction of all curiosity would prevent future desecration by rendering it unnecessary and unprofitable, and would further prevent the circulation in the future of remains falsely pretending to be genuine relics of the great dead. The doubtful authenticity of the supposed skull of Cromwell is a case in point, and Dr. Ingleby refers to it, and also gives a long account of the strange experiences of Schiller s remains before they found their last resting place. The remains of Raphael and of Charles I have been disinterred to settle historical doubts, and the supposed bodies of Cromwell and Milton were exhibited in contempt to the populace; but Dr. Ingleby considers that in both these latter cases the perpetrators of the outrage were baffled, and that Milton still lies undisturbed in the chancel of St. Giles , Cripplegate, while the...
