THERAPISTS IN COURT: PROVIDING EVIDENCE AND SUPPORTING WITNESSES

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Therapists in Court: Providing Evidence and Supporting Witnesses, Tim Bond, Amanpreet Sandhu, 'A recent SAGE Publication called Therapists in Court provides invaluable, step-by-step guidance to mental health practitioners in the UK. Even though different countries use different legal systems, many issues faced in the legal domain are based on the principle of protecting the rights of both parties and balancing often competing roles. Despite its base in the UK legal system, Therpists in Court provides essential advice on many of these issues for all mental health practitioners, regardless of their location' - New Therapist '[Therapists in Court] spells out very clearly the vastly different worlds of therapy and the courts. Detailed and careful preparation is advised although not offered by the courts to the uninitiated. There are many examples given of typical Initial Statements; Disclosure Documents; and several different Court Reports which may be requested under different circumstances. This is a user-friendly handbook that one can use to get an initial overview of the likely legal scenarios therapists may experience, and which can be used for more detailed study if and when the need arises. Tim Bond and Amanpreet Sandhu provide therapists with a useful reference in which the legal process as it may apply to themselves and/or their clients becomes more easily understood' - Eisteach 'This book fills an important gap in the literature and will I hope remain in print long term, with appropriate amendments and revisions. It should be read by any therapist whose client is or may be involved in court proceedings, civil or criminal, as witness, plaintiff or defendant: that is, by all therapists of any discipline. It will be essential reading for trainees. I wish it had been around when I was learning my job' - ...
