

## Sociobiology: Sense or Nonsense?

Filesize: 5.82 MB

### ***Reviews***

*It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.*

***(Lucinda Stiedemann)***

## SOCIOBIOLOGY: SENSE OR NONSENSE?

To read **Sociobiology: Sense or Nonsense?** eBook, remember to follow the button listed below and download the ebook or get access to additional information which might be in conjunction with SOCIOBIOLOGY: SENSE OR NONSENSE? ebook.

Springer, Netherlands, 1979. Paperback. Book Condition: New. Softcover Reprint of the Original ed.. 206 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In June 1975, the distinguished Harvard entomologist Edward O. Wilson published a truly huge book entitled, *Sociobiology: The New Synthesis*. In this book, drawing on both fact and theory, Wilson tried to present a comprehensive overview of the rapidly growing subject of sociobiology, the study of the biological nature and foundations of animal behaviour, more precisely animal social behaviour. Although, as the title rather implies, Wilson was more surveying and synthesising than developing new material, he compensated by giving the most thorough and inclusive treatment possible, beginning in the animal world with the most simple of forms, and progressing via insects, lower invertebrates, mammals and primates, right up to and including our own species, *Homo sapiens*. Initial reaction to the book was very favourable, but before the year was out it came under withering attack from a group of radical scientists in the Boston area, who styled themselves The Science for the People Sociobiology Study Group. Criticism, of course, is what every academic gets (and needs!); but, for two reasons, this attack was particularly unpleasant. First, not only were Wilson's ideas attacked, but he himself was smeared by being linked with the most reactionary of political thinkers, including the Nazis.
