Brand New Book ***** Print on Demand *****.When words start pouring out of You almost at a rate too fast to write them all down, I feel as a responsible Man of My past a deep obligation to share it with as many as I can. Some of what You will read is on a personal level whereas most of what I have written will speak to most in one way or another. I look at those that find it hard to be inspired, And to Me it s impossible not to be. So in writing poetry or even chapter stories if one wants to see bad enough they will find the balance within their writing to be inspired. There has been evil and good since the beginning of man that hasn t changed, what has changed is technology and communication. Most everyone who has written at one time or another has written of Love or Hate. To Me there is so much more to write about. Personally ever since I can remember I have found it is possible to use the right or wrong words in any given situation. I believe if I didn t have words to express and open up to myself and others I would have gone insane. So because of the wonderfulness of words I am grateful for My past along with My present. You know the saying Hind site is always 20/20, I believe it is ok to make mistakes...
